LYRICS

There are four verses of lyrics, so we play through the whole progression four times.

Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind but now I see

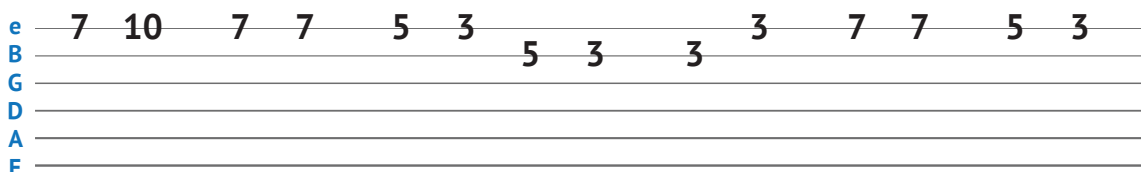

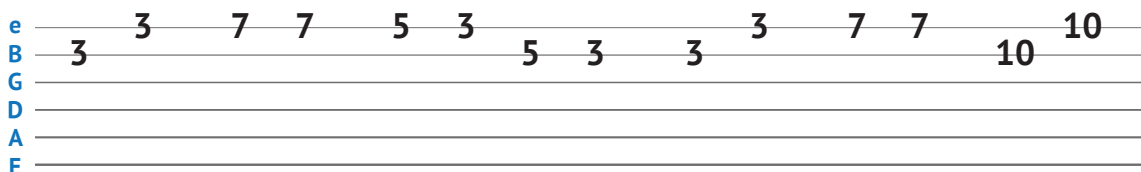

Was Grace that taught my heart to fear
And Grace, my fears relieved
How precious did that Grace appear
The hour I first believed

Through many dangers, toils and snares
We have already come
T'was Grace that brought us safe thus far
And Grace will lead us home

Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see

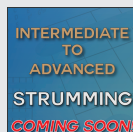

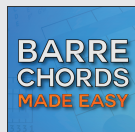

BONUS - THE MELODY

Here's the melody that I play over the intro of the tutorial. I would like to eventually make a lesson for this and many other melodies. I'll keep you posted!
